

# Trinity Snowman Activity

The idea of the Blessed Trinity can be a hard concept for most people to grasp, but this activity is meant to help give an idea of how there can be three persons in one.

## You will need:

- printable page
- crayons or colored pencils
- scissors
- glue - we used a glue stick
- tape - if you have a zealous little one who cuts off the tabs

Color his hat, scarf, and nose on the second page. You may also like to color the sky/background, as well as the Trinity symbols on the Trinity snowman page.

Cut out the parts to the snowman on the second page. Be sure to cut out the tabs along with the snowman parts.

Add glue to the back of the tabs and attach the parts to the Trinity Snowman. If a child cuts off the tabs you can use tape to add the snowman parts to the Trinity snowman.

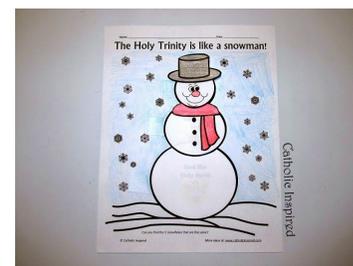

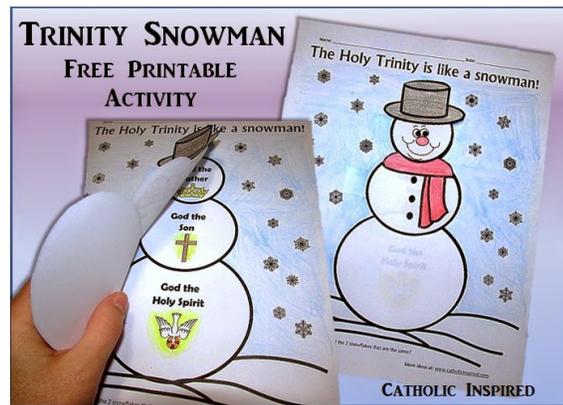

This will form a lift-flap so the child can read the names of the Trinity underneath.

**NOTE:** You may also like to take this opportunity to review the sign of the cross.
