Lesson Themes in Class

Liturgical year
We learn about the liturgical year and its colors

Devotions
We learn about the many devotions in the Catholic Church

Key Theme:

This lesson allows children to experience liturgical activities in the Church. The lesson is geared toward understanding the liturgical year and devotions in the Church (May Crowning, devotions to Mary, and the Stations of the Cross prayer). It is important to remind children that liturgical activities help the faithful celebrate or remember a certain aspect of the faith. All these activities help to strengthen a child's relationship with Christ.
