

God's Mercy

God's Love

We learn about sin and God's forgiveness

Parable of the Prodigal Son

We learn about God's love through this Parable

Activities

We focus on God's love and mercy through art reflections

Key Theme:

This lesson builds upon the previous two lessons and helps children explore the notion of sin and God's forgiveness. Catechists are encouraged to remind children that sin separates us from God, but Jesus brings us back to Him.
