

## Taking Care of God's Creation

### Lesson Themes in Class

#### Creation

We all need to do our part to take care of creation and each other

#### Time, Talent, Treasure

Giving of our time, talent, and treasure is how we live out our Discipleship

#### Serve Others

We learned that when we serve others, we become super heroes!

### Key Theme:

Building on the themes of God's authority and the common good from the previous lesson, this lesson explores our responsibility for the care of creation and stewardship. It is important to teach these topics in the context of discipleship. Disciples of Christ do these things naturally and with love. Catechists and parents are encouraged to explore the following Scripture passages to help reinforce the lesson: Acts 2:42-47, 1 Peter 4:10, Matthew 25:14-30.

### Becoming Disciples at Home:

1

#### PARENTS

Read the Scripture narratives above and help your child understand how these are relevant to them today

2

#### CHILD

Demonstrate care and respect for creation and all you meet each day

3

#### FAMILY

As a family, discuss how you can become good stewards who gratefully share your time, talent, and treasure
