

Morality

CCC 1942-2557

Grow Theme:

Understand moral formation must not only include the content of Christ's moral teachings, but also their implications for Christian living in both private and public life.

Key points to reflect upon:

- Articulate that the desire to live a moral life is animated by one's friendship with Jesus Christ in the power of the Holy Spirit.
- Describe the three parts of the moral act: the object, the intention, and the circumstance (CCC 1750).
- Define and discuss natural law (CCC 1954 -1960).
- Recognize and apply the gifts and fruits of the Holy Spirit.
- Analyze each of the Ten Commandments as the moral guideline for God's people, the terms of the covenant at Mt. Sinai (CCC 2056-2063.), and relate them to our personal relationship with God and each other in today's society.
